 Declaration of Conformity

Technical data:

Code	WOJ+14342
Voltage	250 V
Protection class	II
Power supply included	No
Dimmable	+
Working temperature range	-20/+40 °
Socket	E27
Degree of protection (IP)	IP44
Colour	Czarny
Dimension (AxBxC)	9550 mm
Weight	1.75 kg
For use	Inside/Outside
Assembly method	Suspended
Made in	PRC
Other	MAX 10 x15W LED

*applies to the LED source used. **Luminaire luminous flux

The set includes a connector to extend the garland. Number of sockets 10. Distance between the sockets: 0,95 m.
