

Product End of Life Instructions

Thalassa TBP

 **Potential disassembly risks**

No Risk for the disassembly in terms of electric shock.

 **End of Life Instructions**

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Plastic parts with Brominated FR	949 g	Body
To be depolluted	2	Plastic parts with Brominated FR	429.81 g	Cover

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The Thalassa TBP series is a range of multi-purpose polycarbonate wall mounting enclosures with an electrical insulation class II. The enclosures have a rounded design which helps increase the boxes robustness. The range of Thalassa TBP enclosures are suitable for the protection of small size components that require little intervention or maintenance.
Product reference	NSYTBP342912
Total representative product mass	1435 g
Representative product dimensions	341mm x 291mm x 128mm
Date of information release	02/2021

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
Recyclability potential	91%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
