

### S63 PS PHE 780 (767 763)

For switchgear installations and overhead lines

| Type                                          | S63 PS PHE 780                          |
|-----------------------------------------------|-----------------------------------------|
| Part No.                                      | 767 763                                 |
| Total length (l <sub>o</sub> )                | 815 mm                                  |
| Insertion depth (l <sub>i</sub> )             | 780 mm                                  |
| Category                                      | S 63                                    |
| Material (test electrode)                     | Copper alloy/gal Sn                     |
| Material (test prod)                          | Glass-fibre reinforced epoxy resin tube |
| Diameter                                      | 20 mm                                   |
| Colour                                        | Grey                                    |
| Weight                                        | 529 g                                   |
| Customs tariff number (Comb. Nomenclature EU) | 90309000                                |
| GTIN                                          | 4013364072978                           |
| PU                                            | 1 pc(s)                                 |
